NOMINATION FOR FELLOW FROM THREE AAAS FELLOWS

A member of the AAAS whose efforts on behalf of the advancement of science or its applications are scientifically or socially distinguished may, by virtue of such meritorious contribution, be elected a Fellow by the Council.

Instructions: Please type or print, using black ink. **Pages 1 and 2 must be filled out. A list of the nominee's ten most important papers must be appended.** Please include a complete list of nominee's peer-reviewed publications and other major publications such as book chapters, review articles, outreach materials, etc. Do not include meeting abstracts and other minor publications. See page 3 for additional instructions.

Name of nominee: _____

Nomination to be reviewed by AAAS Section on _____

Professional or business address: _____

Home address: _____

Email address: _____

The criteria for advancing an individual to Fellow status in AAAS need not be the same as those employed by other scientific societies. The following examples of areas of significant contributions are illustrative but not exhaustive. Check those that apply to the nominee.

- Research
- Teaching
- Technology
- Services to professional societies
- Administration in academe, industry, government, and other institutions
- Communicating and interpreting science to the public
- _____

(other areas of contributions)

The names of nominees will be submitted to the AAAS Council with citations. Insert below an appropriate citation **OF NO MORE THAN 25 WORDS**. (Examples: "For distinguished contributions to the field of computational and theoretical chemistry, particularly for theoretical modeling and predictions of new applications of modern laser science." "For distinguished contributions to scientific discourse and standards as editor of *Genes & Development* and as Assistant Director for Academic Affairs at Cold Spring Harbor Laboratory.")

Citation: _____

Education (give names of universities attended, dates, and degrees; state if honorary): _____

Current position: _____

Past positions (list chronologically, beginning with first): _____

Membership in professional organizations, including offices held: _____

Contributions to the advancement of science other than publications (including nonprint media, editorship, consultation, administration, and other significant service):

Awards, honors, citations, and special appointments (state source and year): _____

The name, address, and signature of the primary sponsor and the names and addresses of the second and third sponsors are required. At least **two** of the three sponsors must be from an institution other than that of the nominee. The nomination form is to be submitted by the primary sponsor. **THE NOMINEE AND EACH SPONSOR MUST BE CURRENT AAAS MEMBERS. EACH SPONSOR MUST SUBMIT A SUPPORTING LETTER.** It is important that all three letters in support of a nominee be informational, with a clear indication of the areas in which a nominee has contributed (e.g., research, teaching, technology, service to professional societies, administration in academe, industry or government, etc.) and sufficient explanation of why the nominee merits this recognition.

The nomination form and supporting letters should be sent to Jose Arias, jarias@aaas.org, **for receipt no later than May 14, 2010.**

Primary sponsor's name and address:

Primary sponsor's signature: _____

Second sponsor's name and address:

Third sponsor's name and address:
