Source: AAAS, based on OMB data for R&D in the FY 2008 Budget, agency budget documents, and information from agency budget offices.

Figures are rounded to the nearest million. Changes calculated from unrounded figures.

All years include regular and supplemental (emergency) appropriations.

FY 2007 figures represent latest estimates of final 2007 appropriations (Public Law 110-5).

FY 2008 figures represent latest estimates of FY 2008 request.
