Source: OMB data for R&D for FY 2004; agency budget justification; agency documents.
All figures are rounded to the nearest million. Changes calculated from unrounded figures.
* - DOT budget includes budget authority, limitations on obligations, and other resources.
Note: Transportation Security Administration and Coast Guard R&D programs will transfer to the Department of Homeland Security in FY 2003. Funding for all years is included in the DHS budget (Table II-20).

FY 2003 figures are AAAS estimates of final FY 2003 appropriations.
