Source: OMB data for R&D for FY 2004 and agency budget justification.

All figures are rounded to the nearest million. Changes calculated from unrounded figures.

¹ Funding for laboratory facilities, support services, and some investigator salaries, formerly in separate appropriations, included for all years.

² Funding for VA investigators originating in other agencies (NIH, DOD, etc.)
These funds are included in the R&D totals for the sponsoring agencies.

³ Funding for VA investigators from non-government sources (foundations, etc.)

FY 2003 figures reflect AAAS estimates of final FY 2003 appropriations.

Please see Chapter 8 for a discussion of the VA R&D budget.
