ARRA Awarded data from June 30, 2010 weekly report.

All figures rounded to the nearest million.

FY 2009 Actual, ARRA Estimate, and ARRA Award Plan columns are in budget authority, ARRA Awarded column is in obligations.

1/ Of the \$8.2 billion for scientific research, \$5.7 billion is for research project grants, \$1 billion is for supplements, at least \$200 million is for Challenge Grants, at least \$200 million is for Grand Opportunity Program grants, and \$100 million is for new faculty grants.

2/ ARRA Awarded totals for Extramural Construction and Shared Instrumentation are included in Research Resources.

3/ ARRA Awarded total includes \$48 million for Health Information Technology.

4/ This will be split between two competitions. \$200 million for \$100 - \$500 thousand proposals, and \$100 million for \$600 thousand - \$8 million proposals.

5/ For "comparative effectiveness research under section 301and title IV of the Public Health Service Act."
