Source: AAAS, based on OMB data for R&D in the FY 2006 Budget, agency budget documents, and information from agency budget offices. Figures are rounded to the nearest million. Changes calculated from unrounded figures. All years include regular and supplemental (emergency) appropriations. FY 2005 figures represent latest estimates of most recent fiscal year. FY 2006 figures represent latest estimates of R&D in FY 2006 budget request.
