

What's Next for Federal R&D Spending?

An argue-your-own-adventure of year-end funding decisions.

You will be acting as senior congressional leadership negotiating the plan for the appropriations bills as you approach a fiscal deadline. Make your way through the chart to help you negotiate.

You must decide the fate of each of the following bills. They can be negotiated individually, batched (minibus) or discussed as one whole unit (omnibus)

- Defense
- Agriculture
- Commerce-Justice-Science
- Energy & Water
- Financial Services
- Interior and Environment
- Labor HHS Education
- Legislative
- MilCon VA
- Transportation HUD
- State Department
