\* FY 2013 funding figures are AAAS' best estimates of R&D following final appropriations and sequestration. They do not reflect official agency data as reported in the President's request, which only adjusted for the September 2012 continuing resolution. FY 2012 figures are used as the baseline for comparison.

\*\* Appropriations Committee, which passed its Labor/HHS/Ed bill on July 11.

Source: OMB R&D data, *Budget of the United States Government FY 2014*, agency budget documents, and appropriations bills and reports.

All figures rounded to the nearest million. Changes calculated from unrounded figures.

1/ The Food and Drug Administration is appropriated in the Agriculture appropriations bill.
