For  
High School Teachers**

## **NOMINATOR FORM**

### **A. Nominator Information**

Nominator: \_\_\_\_\_

Signature: \_\_\_\_\_

Affiliation:

\_\_\_\_\_

Address:

\_\_\_\_\_

\_\_\_\_\_

E-Mail Address: \_\_\_\_\_

### **B. Selection criteria**

To be considered for the award, teachers must be able to demonstrate how their development or implementation of an innovative strategy, activity, or program meets the following criteria:

- draws on widely accepted principles and standards for science education such as those articulated in AAAS's *Benchmarks for Science Literacy* or the National Research Council's *National Science Education Standards*
- is intended to be both engaging and effective for a diverse range of students
- has been successfully implemented by other teachers with their students
- can easily be replicated or adapted for use in other classrooms
- demonstrates a high degree of creativity in its concept, design, or implementation
- makes a unique and lasting contribution to science teaching and learning

### **C. Narrative**

Describe a specific example of how the nominee has contributed to the AAAS goal of advancing science education by developing and implementing an innovative and demonstrably effective strategy, activity, or program, that meets the criteria described above. Be sure to describe the impact of the strategy, activity, or program.

Nomination package should consist of:

- Nominator Form
- Teacher Application Form
- Teacher resume
- Letter of support
- Examples as supporting documents

Nominator should email completed package to [bgoldste@aaas.org](mailto:bgoldste@aaas.org) or mail to: AAAS, Attn: Barbara Goldstein, AAAS Leadership in Science Prize, 1200 New York Avenue, NW, Washington, DC 20005. All nominator and teacher forms/applications must be received by AAAS no later than 27 May 2011.
